“ I think your mother might be a cousin to my mother, Marjorie Carlson Nordbye. My grandmother was Agnes Nelson Carlson and I remember visiting her brother Ernie Nelson. My grandmother and her brothers' mother died and their father sent them to live with an aunt in Hopkins. If any of this sounds correct to you I would like to hear about family memories that you may have. My condolences to you on the passing of your mother. Andrea Bassett 612-670-5067
