“ My one regret is that we did not live closer. She was indeed an amazing woman and I am truly thankful to have had her as a friend. We had been through a lot throughout the years and she always had a special place within my heart. I will forever miss her and to her family... I am truly sorry for your loss.

“ Ellane has been a constant in my life for over 25 years. She is a kind caring person who didn't mind putting you in your place when it was needed. I love that about her. She is strong but mushy on the inside. I love her dearly and can't put into words how much I will miss my friend. Our lives will never be the same
