“ To the whole Rudolphi clan,

Ellen's service was beautiful. Tim, your words were uplifting and loving. The church was gorgeous. (I remember your dad's service was in a church full of Easter flowers. Now your mom's service is in a church full of Christmas beauty.) I hope you all can have some good quality time together, celebrating your family's good times together. I am sorry the health circumstances dictated that the service only be for immediate family or I would've been there. Electronic hugs to all of you. Tom also sends his sympathy and good wishes for all of you.

*Your aunt,
Mary*
