“ My Grandma Ellen was truly an angel on earth. She was one of the kindest souls I've ever known. She is dearly missed by her family and I am certain by her friends. My fondest memories are of playing in the basement of her home in Anoka while she sewed away or even better yet of helping her cut out a pattern. I loved helping her pick vegetables and fresh flowers in her enormous garden. I loved meeting her at Mercy Hospital for lunch in the cafeteria during her work day. But one of my most fond memories is of snuggling into bed with her before grandpa came to bed (he snored loudly). I've never known a kinder, more gentle person who made you feel special every time you were in her presence. The loss is great. I will miss you every day! Love, Melissa
