“ Our deepest sympathy on the loss of Elliot. Even though we have never met , our family was saddened today when we learned of his passing. Our son Alex and his friend Ben had the privilege of meeting Elliot on a ski trip to Hyland Hills in February of this year. They struck up a conversation in the chalet and skied the afternoon away. When we arrived to pick up the boys, I was able to take photos of Elliot skiing along with the boys. He loved the pictures that Alex sent him. I could tell he loves people. Although your hearts are breaking, I just wanted you to know how Elliot touched our family in his much too short life. Our son was looking forward to connecting with him on the hill again this next ski season. God used Elliot in an amazing way and may God give you comfort, strength and peace in the days ahead.

“ Sam and Sara and family,  
Words can not express how very sorry I am to hear of the passing of Elliot. Even though we have not seen him for a few years, I will always remember the boys jumping on the trampoline or trying crazy tricks on their skis at Hyland Hills. He was such a kind spirit and a good friend to Michael. We will miss him greatly.

*Please know that you and your family are in our prayers. If there is anything we can do, please don't hesitate to ask.*
