

Elroy Jacob Huntington

December 2, 2015

In the early morning of December 2, 2015, this earth bound existence lost a treasured son, brother, father, cousin, uncle, nephew and friend to countless worldly travelers. As we mere humans continue our journey on this wild, blue, spinning marble, E.J. is soaring above us in the cosmos, with a man's best friend, Luna. As they travel and visit those who have left this place of gravity before us, we can look up to the stars and wave "hello," because we know they are watching and protecting us, until it is our time to shine among them.

Elroy Jacob Huntington is lovingly survived by parents, Pat and Jackie Kinney; brothers, Joseph and Travis Andersen; son, Averey Charles; grandparent, Beverly Kinney; step-father, Wade Andersen; biological father, Gordon Huntington; sisters, Sawsha, Jennifer, Kayla and Brandy; four aunts; four uncles; many great-aunts and great-uncles; over 25 first cousins, and exponential second cousins and friends.

Elroy Jacob Huntington is preceded in death by grandparents Elroy and Berdeen Karger and Gordon and Della Huntington.
