“ *Mom & I were thinking about Elsie and how she was so nice to Mom always, but especially in the early years of getting to know dad's family. My mom could stop in for coffee anytime. And the Houston family came to a couple of Halloween parties at the Doerr house on Logan ave. Fun times also remembered at uncle Dennys resort where the families gathered to fish. So sad all the tragedy in her family. But somehow she had a smile for you. Was happy to see you if it had been awhile. Mom & I both regret not visiting or calling more. So sorry for you, the grandchildren and your loss. Such a sweet lady & sharp still, I heard till the end. Rest in peace, Elsie. Love,
