Eric grew up between White Bear Lake and Lino Lakes, growing up he made many lifelong Friends that turned into honorary Brothers and Uncles to his children. He was a hard working man that had started working at the age of 14. Eric was a heck of a talker! He was a marketer for over 22 years and a Marketing Manager for 10 of those years! He was Amazing at what he did. As Eric would say, "The Best Marketer in Minnesota and possibly the World!"

Eric devoted his time and talent to his work and thoroughly enjoyed the people he worked alongside at Budget Exteriors. He was always there for his family, friends and co-workers. Eric would go out of his way to put a smile on someone's face. Eric had a very direct way of communicating, we never had to wonder how he felt about a situation .

Eric was an Incredible Husband and Dad, he provided for his Family in every single aspect of their lives, he was/is, His wife and childrens Person, The one

they ran to for it all and he would fix it or make it better for them! Eric loved his kids with his all and was so proud of everything they did, whether it be big or small. Eric was sure to let his wife know just how much he loved her in every aspect.

Eric Loved his fishing trips with his dad Karl, His hunting trips with his dad Dan, Golfing with each of his buddies(as much as possible). One thing we will always be able to say is, Eric loved who he loved, he loved them hard and let them know they were loved!

In the loss of Eric, other families were able to receive a gift. Eric was Selfless in every way that he gave hope to many other families with the donation of life!

Eric was a Man of Loyalty, Honesty, Love and So Much More! He will be deeply missed by all those that have gotten the honor to know and love him!

“ I may not have given birth to Eric, but he was still a son to me. Our family was so blessed to have seen this little boy grow into such a wonderful young man. Through all the highs and lows, hanging out at home, family vacations, you name it - Eric was always right there with us. I still cannot wrap my head around it all, my heart is crushed.

The love we have for you will remain forever in our hearts, we will never forget the amazing man we loved so much.
