“ I will never forget the way I met Erik. He was with a friend, driving a "kidnapper" looking van, lol, donning rock band hair and a cute face. I was walking along a strip mall, and he drove by me. Stopped the van, put it in reverse, and said "wow you are gorgeous!" Erik was only in my life for a short time, and we lost touch 20 + years ago. I recently tried to reconnect through facebook, and then learned of the tragedy. I will never forget how we met, and his humor! Rest in Peace, Erik. God Bless the family, and all who knew and loved him.

“ I remember many moments with Erik while growing up. I would follow him around on many hikes because he always ended up finding some amazing path where I would never imagine. I was looking forward to more of these journeys but have now realized I must continue them on my own & wait for you to tell me to turn. So love you Erik!!!

“ Some super memories of growing up around Erik & Yalana. Like, he'd get the \*prizes\* out of the cereal box before Yalana. Which made her Super upset and He'd laugh and laugh. I'd laugh too, but try not to.  
He was Always nice and kind to me...genuine. I can't say I feel that way about to many people. See ya Up Above Cuz ❤️
