“ It is a very sad thing that Erik is gone. I will miss him very much, I wish I had been able to spend more time with him, but the memories I have of him are all good ones and they will stay with me forever. He will always be with us in spirit and we will never forget him. I give my condolences to Joy, Dae, and Tove.

“ I worked with Erik for years. We were close calling eachother "brother" and "sister". Erik was so magnificent in his gentle calm demeanor, sense of style, loyal friendship, and love of his children/ family. Every day he would have a new story about his kids and how proud he was of them. We will really miss "our brother". -b

“ Joy, Tove and Dag, Words are so inadequate at a time like this. Take comfort in the fact that Erik has entered the Kingdom of Heaven through his fidelity to and love for Jesus Christ. He has been saved. Please know that I am praying for you and your family, daily. Remember, be not afraid; "...for I am with thee: be not dismayed; for I am thy God: I will strengthen thee; yea, I will help thee; yea, I will uphold thee with the right hand of my righteousness." Isaiah 41:10. Love, Craig

“ I felt compelled to write a little something about Erik. I will always remember my brother with his Dutch boy hair cut our mother used to give him. He was such a cute little boy. He turned out to be such a handsome young man. As a little boy he was always full a mischief, doing typical boysstuff. Unfortunately those day's are long gone and now we have the daunting task of saying our final good bye's to our younger brother. Who is also a husband and father to two beautiful children. Words can not express my sorrow over losing someone so young. May the rays of God's mercy embrace the soul of your servant, O Lord, and give it rest with your saints where there is neither pain, nor sorrow, nor sighing, but everlasting life! I will always's love you my brother.

“ I am so shocked and saddened to read about Erik's passing. I have been just catching up on all the family and to now hear this breaks my heart. I won't be able to make it to the funeral or services but please accept my deepest condolences on your loss. All my sympathy and all my prayers go out to all of you in this time of loss. I will always remember all the funny things Erik did to Holly and I when he was young trying to "bug" us. This was a much too early death for such a great young man. Please remember all the happy, joyful memories of him and that will help you carry through the hard times. Again, all my sympathy, love and prayers to all of you.

“ I am also shocked at the news of Erik's death. I haven't seen or spoken to Erik in about 15 years but do have good memories of him, David (Beaulieu) Joy and all of us living together back in the day. To Erik's family, Joy and his children: I am deeply sorry for your loss and wish you all peace! Warmest Regards, Colleen Hassler (O'Brien)

“ I have known and been friends with Erik longer than most friendships last. We met when we were only 15 years old. During the last 23 years we shared many laughs and good times. I will miss him dearly. He was a wonderful friend, the best man at my wedding and truly nice guy. Mine and my families deepest condolences go out to Joy, Tove, Dae, his sister Linnea and her husband Barry.

“ I don't really know what to say. I'm not ready for my friends to pass away, not so young, not like this. I knew Eric when we were younger. We spent a lot of time together just hanging out and being young. He was always up for an adventure and I'm going to miss him terribly. Although we hadn't seen each other in about 5 years, I was content knowing that he was still around, still being Eric. I figured I'd see him on my next visit to Minneapolis. I am very sad that that won't be happening. If I remember correctly, Eric liked music and gnomes and Guess jeans and watching movies and hanging out at Blowhorn and parties and Brits Pub and playing darts and going to Hidden Beach and Glueks beer and The House of Balls and Welsh Corgie dogs and Carman Gia cars. But he especially loved his wife Joy and his kids. I am so sorry that he is gone. Brother, It wasn't supposed to end like this. To his Wife and Kids and Family, I am sorry for the emptiness you must feel. Goodbye Eric, love you dude. We'll miss you. David Beaulieu
