“ Dear Lora, Espen & Truls- I am sorr that you Dad (Grandfather) passed and especially during the times we are living through. He was a steady person who I held a fondness for. I am sure it will e hard to think of the house or lake knowing the heartpangs of sorrow that will rise each time. I love you and wish that I could be there for you.

“ Melby family, I'm very sorry for your loss. I have fond memories of Ernie as far back as 1966 in Blaine. My absolute favorite memory of Ernie was when he called my father Galen on a Late Saturday morning and asked if we wanted a ride in his airplane. Of course we went with him, it was my 1st time flying and I loved it. I will always remember it.

“ Dear Mary Jane, and family, I want to tell you how much Ernie has meant to my family. He entered our life when we were in grief over the sudden passing of my father, and his attention, warmth and uplifting nature was a tremendous help. I will always be grateful for his presence in our lives. I am so sorry that he is gone, and for the sadness you must feel, but know that he will not be forgotten. I know I speak for my brother David as well that we cherish our memories of him. Love, Diana

“ My condolences to you and your family. I didn't know Ernie as well as Guy did. They went deer hunting together. Guy has been gone since 1988. Again, my sympathies.
