“ Have only known him for about 8 weeks as a volunteer bringing the Eucharist to him.

Although hard for him to speak at times, you could almost see the words and answers in his eyes. There was a special glint and sparkle.

Most of the time he was in his bed or a wheel chair "on guard" at the ward entry. A couple weeks ago he wasn't there when I came by and I was concerned. Found him in his room, change of scenery he said.

Blessed and proud to have served him. Wish I had known him longer. I last saw him 9/17.

Blessings, Jeff Fink
