“ I was sad to learn of Ernie's passing only this week, I first met Ernie while visiting Fairview Baptist Church in late 1962. Our family had just returned from my father's 3 year USAF assignment in Germany. Ernie befriended me immediately; while I only lived there for a year before leaving for the Navy, I will always appreciate Ernie and his friendship during that challenging adjustment period in my life..

“ He helped me get into the hobby as a member of the train community. He was always positive and encouraging me to try things, and think outside my small box. Thank you Ernie for your help.
