“ *Essie always encouraged others to stand up for what is right. She supported me through many a hard time. I will forever be grateful for the time we shared. She helped me with some of my programs at the school I work today. I will miss that smile, laugh and encouraging words. I am not able to make the service, but I will view it tonight when I get home. A great woman of God! Spread your wings and fly around heaven. I will see you again.* ”
