“ I will always remember her Hardtack(?) and Egg Coffee!! Her love and memories of my Dad growing up. What a family historian she was to me!! I saw her the end of March and was so looking forward to another visit, but I wanted to learn to play Farkle first! She was ready to play next time came up! So very glad I saw her then at least. I know she is so happy in Heaven with everyone there that she was missing.

“ *I remember how she loved to play cards. had some great times at
their house, both in the cities and at the lake. We all loved her so
much.*
