“ To the family of Steve Rosso, Over 40 yrs ago my brother (Steve) joined the Peace Corp and was assigned to the Phillipines. Less than a year later he called home to say he met the love of his life and was getting married. I said, "No, you don't know what your doing". I was wrong. It was simply the best decision of his life. We were fortunate to know her and lucky to have her in are family. We the Rosso's are all better off for having her been part of our family. She will truly missed because she was greatly loved. The family of Bill and Connie Rosso
