“ *Ethan was the most beautiful baby boy in the world and i couldn't have asked for a more perfect baby. He had the biggest blue eyes, the softest dark hair, the cuttest little tummy, and most precious smile. I miss my baby more than anything in the world and i will give everything and anything to have him back. Ethan, baby, if your listening mommy loves and will always love you. You were my little angle and i don't understand why you were ripped from my heart or from your daddy's heart either. Your dad loves you also and he misses you so much and would give anything just to hold you again. But i am happy that i at least got to kiss your little fingers and toes and your cute little lips. mommy and daddy will see you and we will be a family again someday.*

“ Brad and Tiffany, I never got a chance to meet Ethan, and I see that he is just adorable.

If God had told you that, even for a day, you could have this beautiful baby, and love him in your arms, you would take it. For this short of time, he has already created a lifetime of memories for you both.

I pray that you can hold the loving memories in your hearts, and that peace will surround you during these toughest of times. Each passing day will bring you strength, but the memories of Ethan's life will not fade away, ever.

Please know that I, Cheri, Taylor, Jared, Cassandra, Michael, and Peyton ALL have heavy hearts with you, and that we all are with you today and beyond.

May you cherish and support each other through this, and extend yourselves to those who can be there to help you.

Tiffany, we have not yet met, but I am giving you the biggest possible hug any uncle-in-law could possibly give.

Bradley, you have always had a special place in our hearts, and you know this is true. Cheri and I want you to know that we will be praying and thinking of you, and Tiffany, and for your parents who have always loved you.

Brad, I know that Rick and Kaarin would trade places with your baby, and you see that Kaarin has always loved you as if you had been her baby all along. Sometimes it takes something like this in our lives before we really get to see this clearly, even if we have known it.

Today, we will share in your sorrow as Ethan is remembered. Tomorrow and the next and the next, we will be here with you to

share in the good that Ethan brought into your lives, and that NO time will ever erase.

Ethan will always be with you, and he will remember you and be waiting for you when you eventually join him in heaven. In the meantime, know that he is in a place that we can only dream about, is loving you, and is among you, no matter the time of night or day.

What a beautiful boy.

We love you all, and please pass on these thoughts and our deepest sympathies from us to Rick and Kaarin, and to Mike, Cheryl, and Todd.

Jim Longnecker, Cheri Longnecker, and the entire Longnecker family.
