“ *It is with deep & profound sorrow, that I learned of Gene's passing. I worked with Gene at the Minneapolis Public Schools Title 1 program. What a kind and general soul. Always friendly and smiling. May his Emory be always for a blessing.*

“ Gene was such a mensch! I appreciated and enjoyed seeing him over the last 15 years or more at the JCC or around town at events (pre-virus). I was always happy to run into him and hear and his stories. He had an infectious smile and laugh. When I read the Strib yesterday a.m. I was so sad to see his obituary online. I hadn't seen him in person since last fall. I'm very sorry to his family and the community for his tremendous loss. He was one of the good ones.
