“ My parents were great friends of Gene Sr and Beth. Many times, as a family, we would go to the Keller's or they would come to our house for dinner and visits. The entire family were so kind and welcoming and I never felt uncomfortable around Gene, Jr. Even though most boys were mean, he was the sweetest and a comedian, usually at his own expense. The kids lost touch over the years though I would occasionally hear word of him through my mom. Gene always has held a soft spot in my heart and I am so grieved by his loss. Many prayers to his family at this very sad time.
