“*Marylou and family, we are so saddened to hear of Gene's passing. You know how we loved and respected Gene. We tried to express that in the note we sent to you, but words can never express everything we feel. We are so sorry that we will not be able to attend his service or visitation. Wayne is recovering from surgery, and I had a previous engagement which I cannot reschedule. Please know that we will be there with you in spirit, and that we are continuing to think about you, and pray for all of you as you grieve this wonderful man. - Chris and Wayne Kendall*
