“ Karen,

I am so very sorry for your loss. I unfortunately cannot make the service today, but I am thinking of you and your family today during this difficult time. I am sure you guys are surrounded by much love as you remember Gene today. Very happy he was able to have time with your new grandson.

“ *He was a wonderful man, friend, husband, father, grandfather. He will be missed by so many. I will miss the daily laugh I got from his posts on Facebook. And Karen's responses. He brought happiness to all who were around him. RIP Gene. I will raise a pint to you tonight.*
