

Evan Donald Composto

March 20, 1998 - June 5, 2021

Composto, Evan passed away at the age of 23 on Saturday, June 5, 2021. He was a caring son to his parents, John and Wendy, and loving brother to Emily and Lilly. He also leaves behind too many friends to list. Evan graduated from Eden Prairie High School in 2016 and University of Minnesota Duluth in 2019 with honors from the Swenson College of Science & Engineering. He was a brilliant computer engineer and was so proud to be employed by L3 Harris. In his short career he was fortunate to be able to travel to London and Paris. Evan was known for his enormous heart, his quick witty banter and an intelligence to admire. A public Celebration of Life will be held for Evan at the Minnesota Landscape Arboretum on Sunday June 27th from 6:00pm - 8pm. We love him more than words can express. Memorials preferred for a bench at the Minnesota Landscape Arboretum for all to rest on and remember Evan.
