

Evan Ormond Steiner

August 15, 1947 - June 21, 2026

Evan Ormond Steiner, age 78, of Vadnais Heights, Minnesota, passed away peacefully on Sunday, June 21, 2026.

Born in St. Paul, Minnesota, on August 15, 1947, Evan was the son of Theodore William Steiner and Catherine Steiner (née MacNamara). Throughout his life, he was known for his warm heart, gentle nature, bright smile, and remarkably blue eyes that welcomed family, friends, and strangers alike.

Evan built a life defined by hard work, creativity, and service to his community. Over the years, he worked as a bank manager, a bus driver, and a dedicated employee of Metro Transit. Among his many contributions, he took particular pride in helping design bus shelters that continue to serve and protect countless riders throughout the Twin Cities area.

Above all else, Evan was devoted to his family. He shared a loving marriage with his beloved wife, Susan (Vale) Steiner. Together they built a life filled with companionship, laughter, and unwavering support. This coming August would have marked their twenty-fifth wedding anniversary.

Evan's love, kindness, and steady presence will be deeply missed by his wife, Susan; his sisters, Barbara Wandrei and Virginia "Ginny" Hayes; his sister-in-

law, Sally Smith; and his many nieces, nephews, grandnieces, and grandnephews. He leaves behind a family who will forever cherish his stories, his humor, his generosity, and the countless ways he quietly showed his love.

Those who knew Evan will remember a man whose smile could light a room, whose blue eyes sparkled with warmth and mischief, and whose caring spirit touched the lives of everyone fortunate enough to know him.

He will be dearly missed and lovingly remembered always.
