“ *Many good memories from Vikki's Swedish families. From visits, hospitality, many hugs and many laughter together, visits by Sven-Olof & Else-Marie, by Rune & Berit and their daughters Gunilla & Lena. We never forget Vikki's laugh, friendship and ever lasting friendship. Now your soul is looking back to us from upstairs and we send our Thanks Vikki for all memories and times together. We really loved you!*

Evelyn was my Godmother, and only aunt on the Anderson side. Aunt Evelyn spent many years celebrating holidays and birthdays with our family. Mothers Day was always memorable to me with Aunt Evelyn. My brother Joel and I would be on our best behavior as we headed to Lee's Village Inn in St. Paul. Aunt Evelyn was dressed in her best, Grandma Hannah was wearing a corsage, and we dined with linen tablecloth and napkins. Our parents, Everett and Carol were not seafood lovers, and it was at Lee's that Aunt Evelyn introduced me to shrimp! I will forever thank her for that! Aunt Evelyn you will always be a part of our family. Loved and never forgotten.
