“ The Memorial service was a loving tribute to a special lady. Enjoyed the video highlighting Evy's life over the years. My memories of Evy include working together in the Bethany kitchen. [She was very good at opening stubborn pickle jars. :)] Loved her sense of humor and kindness. Peace and blessings, love and sympathy, Bonnie Olson

“ With deepest sympathy to Evy's family.
I worked with Evy for many years and we kept in touch with cards and lunches and phone calls after retirement. She was one of my favorite people ever. She made coming to work fun every day. She had the greatest sense of humor. (We had a pair of slippers we passed back and forth as gifts and mailed to each other from all over the world. She had Pat mail them to me from San Francisco --- - I wrapped them as a Christmas gift and took them to Tom at work to put under her Christmas tree -- and many more.)
You are lucky to have had her for your mom and grandma.

“ *Our deepest Sympathy to the Booth family.*

She was always a very special person and beloved supporter when I was the Organist and Choir director at Bethany Lutheran, Evy was a pillar who always spoke her mind on subject.

I have several remembrances like her getting her first Tattoo after she was in her 80's.

Her running late to Alter guild on Sun AM. She said the bathroom lock failed and she was locked in her bathroom. I asked what she did? She stated she tool a nail file and popped out the hinge pins and moved the door to get out.

She always talked about her family and her love for them.

But Evy's love went even farther. She worked the kitchen at Church. Made home made Mac and Cheese for the Summer Camp at church .

I would always ask her if the Hymn's were ok at church.

She would answer it was ok and I may get used to it after a while, "You could tell it was not one of her favorites".

Evy also was a champion for the Under Dogs. Stating her mind and option on sometimes controversial topics that arose.

I will never forget the person that entered our life and became a dear Supporter and Special Friend in our life.

“ Dear Booth family, We'll be thinking of you on Saturday as you celebrate your Mom's life. We have wonderful memories with all of you and the many birthday parties, holiday gatherings with Norwegian pastries/desserts, and summer picnics we celebrated together. How can we forget the water balloons your Mom always brought to the summer picnics! Enjoying meals together around the dining room table, playing games, and getting a tour of her backyard garden and boot planters! Aunt Evy was the best, and we will certainly miss her but will keep the tender memories with us forever.

“ *Evy was my mom's best friend. They just clicked on so many levels. My sisters and I loved Evy too and we always enjoyed having her come to our family gatherings. After our mom died it was comforting to be with Evy as she was so much like Ma. I'm sad we got robbed of some of our time this last year because of Covid but we all kept up through email. I was lucky enough to see her just before Christmas. I wore my mask and didn't give her the usual hug. I asked her how she was doing to which she replied: "Well I'm 90 it's never going to be great". She was a realist. Our whole family misses her and we will always keep her in a special place in our hearts.*

“ *Evy, I am so thankful to have had you for my sister-in-law. I learned so much about you in the last few years as we shared emails, news of our families, pictures, much laughter (loved your sense of humor when least expected), and encouragement and support in hard times. I can honestly say that you were a blessing to me and the family. You will be missed.*

*With love,
Janet*
