“ *What a beautiful lady! think my husband, Kevin, was pals with Bert as I have heard him ,mention his name. Kevin was born in Nashville Twp, too. He died Nov. 14 2019.*
I know how it feels to lose your Mom. It leaves a void in the family. But they have taught us well to carry on and leave wonderful memories!! My heartfelt sympathy to all.

“ My mother was a great mother to me, I was so blessed to have her so long in my life- praise be to God! I will miss her smile , asking how I'm doing, and her prayers for me. Whenever I was going through a hard time, if I shared it with her and asked for prayers, I knew everything was going to be ok, I was so comforted. I will miss that so much! I am so happy for her, though, to be with Jesus, n heaven in her new eternal home, knowing fully as she is known, as the Bible says. I sense she is enjoying being with family and friends and whatever new job God has seen fit to give her to do. I'm sure she's doing it well. Love you Mom! See you later and you. can show me around heaven!
