“ When I first met Evelyn I thought she was such a lovely lady, just like her sister, Mae. The more I got to know them I found out that both of the sisters were great cooks! Plus, they were both so kind!

.
. All through the years I loved speaking with Evelyn. She would share any recipe , and she was such a great cook! She had a sweet and wonderful way In how she would talk to you and a kindness in all of her comments! She will be dearly missed but it is wonderful to know she is in heaven cooking up delightful surprises. You are missed dear Evelyn -- Love, Carole
