“ *There are so many great memories it's hard even to know where to start. But I'll start by all our camping trips together going to Big Sandy and Strawberry Lake only to name a few. Spending time going to the dump. Eating snapping turtle. And definitely filleting a lot of fish. Nights by the bonfires. We always stopped along the way to get White Castles. I also remember many wonderful vacations Yellowstone Park stands out the most. We also had so many trips to Detroit Lakes and meeting at the casinos. I also enjoyed spending time with her walking down to the Coon Rapids Dam. And of course visiting with her at her house and all her cats. I'm really going to miss her just hearing her voice. I know she's enjoying heaven right now spending time once again with her sisters and brothers family and friends and seeing my uncle Arnie.*

*Connie and Danny, our Condolences go out to thee entire Family of Evelyn.  
We are sorry to read of Evelyn's passing.  
In the early 1960's, we were glad to welcome Evelyn, Arnold, Connie, and Danny to our Coon Rapids Boulevard neighborhood.  
As kids, my older brother, Marlin, and I, Richard, played with Connie and Danny in the large open field behind the Howe's house, and also at the neighborhood Land-O'-Lakes turkey and calf farm.  
A few years ago, I surprised Evelyn by stopping in at her yellow house on Killdeer Street. We had not seen each other for decades. Evelyn was still the same spunky lady that I remember her as back fifty years ago.  
Many lifelong great memories of Evelyn, and her family. We are sorry we missed paying our respects to Evelyn at her funeral service.  
We apologize for the late acknowledgement of Evelyn's passing. ---
