“ I was so sorry to see Evelyn's obituary in the Star Tribune. She played a special role in my life as a skilled mentor and a caring friend as I started my own journey in social work. One of our co-workers at Redwood Co always said that Evelyn was a loving human form of the "wise monkeys", who saw, heard, and spoke no evil. She was gentle, funny, caring, and kind. And a very proud mother and grandmother ! Evelyn was truly a blessing to the world. My thoughts are with you all .
