“ I didn't meet Evelyn until my wife introduced me to here around her 95th birthday, we then kind of adopted her as our Grandma, I really enjoyed our weekly dinners with her and taking her out for her Birthday dinner celebrations and just sitting and talking to here after until she got tired and was ready for bed. I'm really going to miss that sharp wit and the way she made us laugh these last few years. Thank you Evelyn for being our friend, will will miss you greatly.
