“ *I never met Evelyn but she was my mothers first cousin. My mother passed away on August 9, 2012 and is buried in Sobieski, MN with much of the Cichon family buried there as well. Simon and Sophie are buried in Sobieski; one on each side of the drive way. Anyway, please except our regrets in never really getting to know your branch of the family. I may have seen her at Tim Maciej's party when I played in the band at his new house. Our best wishes go out to you in the loss of your mother. I know the feeling. God bless her memory and may God give her eternal happiness in heaven.*
