Captain of the Eden Prairie Basketball Team, senior year, could fix anything, loved to sing while Leone played piano. Many happy birthday greetings were sung to loves over the country. He was so proud of his beautiful, close-knit family. Everett's famous words to live by were "I love you." Leone and Everett were "mother and father" to many because they shared their unconditional love. The family will have an intimate, private memorial to celebrate his life. Please share your past and present memories with Everett's wife and family as the days pass to keep his love alive. In lieu of flowers, donations are preferred to the Minneapolis Society for the Blind. Washburn-McReavy 952-938-9020
