“ Dear Rachko family and friends,

I met Everett through my daughter, Laney, who went to Mankato State University with him, both studying aviation. I hosted a Women In Aviation International event at my apple orchard one fall. Everett came to participate. It was a cold, rainy day and the activities were moved into the red shed - apple pressing, buffet pot luck dinner and lots of visiting. I had a wonderful conversation with Everett that day. A few days later, I received in the mail a hand written thank you from Everett highlighting what a good time he had, thanking us for our hospitality and hoping to see us again soon.

What a thoughtful gesture from a kind, thoughtful man. You raised him right Charla and Dimitri.

I have donated to the Everett Rachko Memorial Aviation Scholarship at Mankato State Univeristy. What a wonderful way to honor his memory with a scholarship.

Everett will be missed.

“ *Everett will be missed. I was a manager in Delta Cargo where Everett worked as a ready reserve. He was kind and hard working and followed his dream to be a pilot. I am so very sorry for your loss. You are in my thoughts and prayers. Everett was too young to pass but God has plans for him. May he Rest In Peace. God Bless you all.*

“ Everett was a wonderful man. We flew together several times and his joy, kindness, and giving heart were always visible. Very few people would be able to come into my home and care for my crazy family in case of an emergency. Well, I had no doubt that Everett would be able to do so and do so exceedingly well. Yes, I would trust Everett with the lives of my children.

I will always love you Everett. Peace to your family. You will be missed by all.

“ Such devastating news...Condolences to Everett's family . My daughter Jourdan went to ANDOVER with your beautiful son and I remember him vividly as a sweetheart of a young man. He had such a bright energetic personality and we always loved having him stop by the house to see the girls! He was one of my favorites from Andover and I'm so incredibly sorry for your loss. Prayers for you and your family during this difficult time.

“ Everett was one of the pilots who flew with me on several trips at Compass Airlines. I'll miss his laughter and upbeat personality. Being a Flight Attendant he always made it extra fun and I always felt safe and secure while flying with him. He'll be truly missed.
