“ *Evi was like a second mother to me. She was a great best friend. Evi was always there for me and countless others. So many memories to cherish. Evi will live in my heart forever. Evi was always up for a coffee date and a bite to eat at Perkins. I now believe she is reunited with her best friend Walter. She and Walt are dancing the Hawaiian Polka just like they did so many times in their kitchen. The dance floor is now all yours Evi. I truly love you. You told me many times your favorite song was “You are my Sunshine”. You are my sunshine Evi. I will miss you forever but I will live on with all the the life lessons I learned from your words and mostly your actions. I feel like a better person for knowing you. I’m not able to be at your service in person but you know I’m there in spirit.*
