“ I know what a great mother she was. Going through some of mom's things makes it evident that she was a devoted supportive wife; and a loyal, thoughtful friend to so many. Jesus Christ was the center of her life. I am sorry we cannot provide a gathering immediately to join together and celebrate her life and homegoing. Because of Alzheimer's, we lost parts of mom over the past couple years. Her sense of humor, and wonderful laugh remained until the end. She will be missed greatly.
