“ Faye my most precious aunt you so inspired me, by you being you to be who I'm .

*You took care of everyone and loved your family so much !!
Well you were just Love, and had a strong belief of where you were going after this life.*

*You were my mentor at a young age always so inspiring!!!!
I'll never forget your white porcelain coffee pot that was always on the stove ready for a neighbor friend or family your home was open to everyone !!!*

This coffee pot was most special because Faye had all those who had coffee with her sign it ...yup those names remained on that pot forever!!

Thank you Faye and family for all the memories!!

I love you Faye and keep an eye on us.....

And as Faye would say..
