“ I wanted to say that I'm sorry for your loss. No doubt Mrs. Milton will certainly be missed by family and lifelong friends even though she lived a long life. We need encouraging thoughts to make it through difficult times like these. John 5:28, 29, tells us that there will be a resurrection of our loved ones that have died. Not only will there be a resurrection, but we all have the opportunity to live forever together in a paradise earth. (Psalms 37:29) I hope that these scriptures bring a measure of comfort and peace to you and your family and please accept my deepest condolences.
