“ *Those we love don't go away, they walk beside us every day... unseen, unheard, but always near, still loved, still missed and very dear. There are some that bring a light so bright to the world, that even after they have gone, the light remains. My family and I will truly miss the wonderful, compassionate and kind person that Fay was, she was a very important part of our family, we love her.*

“ *Layne & Liza,*

*I am so sorry to hear about your mom. She was a great friend to our family and I always enjoyed seeing her. The long drives to Aberdeen went so much better when part of your family was along. One drive has always stuck in my memory when Fern was along telling stories and had me in tears from laughter for much of the ride. She will be missed and I hope the memories can help you through this difficult time.*
