“ We are very sorry for your loss. My memories of Floran go back many years – out on the river with the extended Belden family, boating with Floran and everyone else and watching his airplane come together in the basement when I had the chance to hang out with my cousin Scot. Please know that you are in our thoughts during this difficult time.

“ My deepest sympathy to all of "Red's" family! His was an increasingly difficult journey and he is now at peace, God bless you all. Our friendship goes back to the mid 40's and touched all aspects of our lives, from building model airplanes together to marriage, family, loss of Helen, Scott and friendship with Jan. He has blessed my life.
