“ Happy Birthday to my Auntie Floss. I miss you so much! Thank you for all your advice and our long talks on the phone! We had so many fun times shopping and going out to lunch. One funny memory is when we took one of your older friends (Fran) out of her nursing home and out shopping at Northtown and we LOST her! She had gone up the escalator and we were on another floor looking all over for her! Ended up fine, we eventually found her! I have so many wonderful memories of you Floss. Thank you. I love you sweet auntie!

“ I worked with Florence at Federal Cartridge Co. and she always had a smile and a twinkle in her eye. She talked about her family and adored John, Steven and Heidi. I was also a parishioner at St. John's and would see her after Sunday Mass until the pandemic. She was very caring and so full of life, it's hard to believe she is no longer with us. I want to extend my deepest condolences to her family. My brother was architect for the house Florence and John had built in Mounds View, and I was also Confirmation leader for Steven, so got to know him then, a very nice young man. We will be out of town the rest of this week. My sincere prayers are with you all.
