

Florence Margaret Gordon

June 25, 1936 - February 6, 2026

Gordon, Florence M.

Age 89 of Maple Grove, passed away on February 6th, 2026. Preceded in death by her loving parents Edie and Frank Flacomio, and loving husband Loren Gordon; Survived by brother Skip; sister Viv; son Mike (Deb) Hughes; daughters, Terri Olson, Amy (Steve) Enderlein; grandchildren Tony, Adam, Alicia, Megan, and Abi; and 7 great grandchildren. Florence also known as "Flo" was born and raised in Brooklyn, New York. She started her work career in the early 1950's as an airline stewardess for Capital Airlines. After many traveling adventures, Flo set her sights on Minnesota. She took on a different career and worked for General Mills as an office manager where she met the love of her life, Loren Gordon. They decided to make a move to Fish Lake where Flo first became a Secretary, and then became the Superintendent for parks and recreation for the city of Maple Grove where she worked for 27 years. Although it took Flo a while to get used to living on the lake, she ended up enjoying the outdoors, sitting on her deck, looking out at the lake, reading her book and visiting with her family. Flo loved her family deeply and enjoyed all of the family events held at her house. For those of you that knew her well you also know she loved her gambling activities with her friends: playing bingo at the Maple Tavern, doing the meat raffle at the American Legion, and doing her casino trips. We will all miss her smiling face and her kindness. “ My Aunt Flo was definitely one of a kind. She was the first adult that I trusted and could talk to. She made me feel like I was important. I visited her many times through out my life. It was always a great time with great conversation and advice. My children always loved Aunt Flo. They enjoyed visiting her. She would always take them to lunch and shopping because she didn't see them very much since we live in Pennsylvania. My youngest son always made sure he spent every last cent of the money they were given to spend. Aunt Flo always got a laugh out of that. We always loved spending time with her. She is forever in my heart and will never be forgotten.
