“ My condolences to your families. 91 years is a good life. Your mother leaves behind a wonderful family, a legacy to be proud of. Hers is surely a passing of celebration. Hoping you find joy in remembrance.

“ You mom opened her heart to me which in turn filled an opening in my heart. I am so blessed to have been able to call her my friend. Words cannot express the love I felt for your mom. She will be missed.

“ Tracy and I had the pleasure to celebrate many special events with the Sajevic's and Florence. She was always glad to see us, and always treated us like one of her kids. We will cherish the memories we have and forever keep Florence in our hearts. "There's a special place in all of our hearts for our mothers, just like there's a special place in every mother's heart for her children."

“ *I can truly say the Sajevics were an incredibly special, loving family! Being neighborhood friends with son Dave since Hayden Heights School and best friends with wife JoAnn since 10th grade at Johnson High School, Florence was the classiest, smartest mom in the neighborhood. She golfed, played bridge, was tall and beautiful, and was the matriarch of six brilliant kids. Plus, Florence and Peter lived at Waverly Gardens where my mom still lives (age 96 1/2).*
