“ Dear Family,

It was with sympathy that I heard of your fathers passing. I know from the loss of my father how you might be feeling. Your dad is enjoying being in the Saviour's presence, and hearing Jesus say. Well done good and faithful servant! I have fond memories of your dad. When I married in to the "Going" clan your dad was there to embraced me and opened his arms to welcome me. We always had that in common and we knew what being an in-law meant. Your dad seemed so eager to help anyone that was in need. What an unselfish servant he was to his fellow man and to his Lord. The love, pride and admiration he had for his children was great! You were the best children in his eyes regardless of how your personal lives may have been going. He told me he prayed for you and for his grandchildren regularly. I'm sure he did. I saw your dad as a solid example of what a father, husband and a follower of Christ should be. I believe your dad has left this world a much better place. His mark will always be here. He will be missed by many. He has led you, his family, to the Cross and now it is your turn to carry on the work he began as you are now the next generation of Servants for Christ. Gods Blessings to you at this time of mourning and remembering.
