“ I am so grateful for the time we had with Father Evenson. I wish it had been longer but I am happy that he is now rejoicing with his Lord and Savior. He was always Uncle Dennis to our family and the more we knew him the more we loved him and appreciated his heart and compassion for others. He lived out his faith and truly did what God called him to do. He poured his life out in service to others. Uncle Dennis we miss you and look forward to seeing you again.

Please accept our deepest condolences for your loss. What a beautiful life Fr. Dennis lived. A loving and dedicated life-long priestly vocation in which he so Christ-like faithfully served both those who new him personally and those to whom he ministered to priestly. What a loving man of God. He will be deeply missed. I wish you all peace and comfort as you grieve. The Lord is close to the brokenhearted and saves those who are crushed in spirit. Psalm 34:18

“ Fr Evenson was like a second father to me(my own father died when I was quite young) and a grandfather to our children. He was very supportive of our family. Special memories include : the time we first met him on a shuttle bus from the St Paul Cathedral on the way to Fr Piche's installation reception as Bishop ,treating our kids to Dairy Queen after a Church service, helping us when my mother passed , celebrating our 25th wedding anniversary with us , attending our oldest child's high school graduation ceremony , being present at our children's graduation parties, and being at our son's wedding and reception although his health was beginning to fail. He ALWAYS had a word of encouragement and gratitude for us. In short, Fr. Evenson was always there for us. What a special gift from God!

“ I served as parish secretary for the Church of St. Dominic in Northfield from 1999-2014. Fr. Dennis was always very gracious when I would call him and ask if he would be available to preside at a funeral when our pastor was away. I will always appreciate his kindness and helpfulness to me and St. Dominic Parish.

“ Fr. Dennis believed in my child who during his school years was treated poorly. Fr. Dennis became Tim's confirmation sponsor and good family friend.
He made a difference in our lives.
