“ I just typed in franceens name and I see her obituary. I've only searched on book before. My heart is sad. Franceen was an amazing woman. The Tyra's would take me in for a week or so in the summer. For refuge from my home life. Poor franceen always got stuck with me. We worked together at super value in the produce dept. I had the nickname - shrimp boat annie. She was so patient, funny, upbeat. We went to see pink Floyd's dark side of the moon when the ids bldg was being built 3rd floor Dolby sound surround. I felt so grown up. I'll always think of her as my angel. I will never forget ANY of the Tyra's. They made me feel wanted cuz I wasn't wanted at home. I'm forever grateful. Annie knutson huhn
