

Frances M Hoffmann

March 23, 1948 - December 12, 2022

Frances Marie (nee Langner) Hoffmann, 74, of Richfield, MN died quietly on Monday, December 12, 2022, at Walker Methodist HealthCare Center.

Born in Minneapolis to Ken and Mary (Shepard) Langner, Frannie was the oldest of six children, and the 'mini mom' for her siblings which meant she was always in charge. Her siblings wouldn't have had it any other way!

In September 1966, Frannie married her true love, Duane Hoffmann, in Rochester, and lovingly established a family lifewhile living in their forever home in Richfield, MN for over 52 years.

During these early years, Frannie was a homemaker, and then once the kids were in school, she entered into the working world starting with B. Dalton Bookseller - Edina, moving onto Northwest Credit Union - Apple Valley and then Update Printing Services until her retirement some 14 years ago.

Over the years, she and Duane traveled throughout Minnesota on long weekend getaways; enjoyed playing slots at the local casinos, watched many hours of her favorite soap opera, General Hospital, and truly loved to hang out at her very favorite place - home.

Frannie's biggest passion was putting together 500-1500 piece puzzles as

often as she could. For many years, Frannie had a table set up somewhere in the house ready to take a break and add a few pieces. She always let Duane add the final piece!

She is survived by her daughter, Angell (Randy) Pearson, son, Jason (Erin) Hoffmann; and five grandchildren, Kyle, Cassie and Leah Hoffmann, Anna and Easton Pearson.

A joint funeral/memorial service for both Frannie and Duane is pending for late winter/early spring of 2023. The family asks for any donations to be sent to the American Lung Association.

“ *So many good memories of my Auntie. I remember the Christmases in the Hoffmann basement (the hallway behind the bar to the laundry room was creapy), the nicknack boards and spending hours looking at them, the Christmas tree with the liquid filled bulbs, wrestling at Walter's house, and her perfume Chanel. You'll be missed, but I have my memories. -Kurtis Langner*
