“ *Barb and Family,  
I recently moved from Big Sandy Lake down to Coon Rapids. I kept in touch with Fran off and on when I came down to the Cities. Had not talked to her for the last year or so. She had the same birthday as some one else I know and yesterday I thought about her knowing it was her birthday so I tried giving her a call today. When her phone was out of service I did some checking and was so sad to see she had passed away.  
I always enjoyed our lunches out together after we were both retired. She was such a nice lady.  
My condolences to your and all Fran's Family.  
Please let me know when you have a remembrance of Fran. I would like to attend.
