

Frances A. Shea

May 6, 2015

Shea, Frances A. Age 81, of Edina, Fran passed into immortal summer surrounded by loving family members May 6, 2015. She is survived by husband Linc Shea; brother, Richard Seals; daughters Kathy Shea (Steve), Jen Shea Hedberg (Tom), Libby Shea Hurley (Jon); and 7 grandchildren. Fran's creative, loving energy enhanced the lives of family and friends, and was the force behind her professional work as educator and insurance agent. She relished monthly book gatherings, mahjong games and the exploits of her grandkids. Her love of nature and gardening made her friend to native plants, insects and especially the threatened Monarch Butterfly. We'll celebrate her life July 16, 10 am at Washburn McReavy Edina Chapel, and family will scatter her ashes at our beloved Lake Vermilion cabin.
