“ To my Dear Auntie Franny: I have so many wonderful memories of growing up with you in my life, too many to list them all. You made the best "monster cookies", home canned sweet corn, me trying to learn how to water ski, lots of family picnics, and all the barbie clothes you and mom made for all us girls for Christmas. You made beautiful afghans for my girls when they were born and now their babies are being snuggled up in them. But best of all were your warm, squishy, love filled hugs. I will truly miss those and your beautiful smile. I know you will be watching over all of us along with all our other loving family members. I will truly miss you Auntie Franny. Love you Always, Jacque
