God Bless you Dad. Time has flown by. It has been already 10 years since we were all in your room praying, caring and loving you as a family as you took the Hand of the Lord and went to the greater home. You were/are a "good man" Dad, and I miss you very, very much. Love and Thoughts of You a whole lot. Say hi to Mom. I know you are both the two morning doves that are always around my home. Love it! And Love you both. Your Son William F Cook
